

Paris Warriors,

To fund our season, for the past several years, we have been conducting two major fundraisers. My desire is to continue funding our season in this manner with our sponsorships and Shoot-a-Thon. Please read carefully.

Sponsorships are \$200 each. Again this year, each player is responsible to provide *at least* one sponsorship. I am attaching a flyer that you can print out and take with you when you ask for sponsorships, as well as a form to fill out regarding whether it is a new/past sponsor and logo information. Please email me as you get sponsors...I will keep the membership updated so we are not hitting up the same place multiple times. There were a couple places that happened with last year. (I realize these lists do not make for great reading material, but do please look over them). Sponsorships should be turned in at the kickoff meeting which is scheduled for Monday, September 18th. For families that exceed their minimum number of sponsorships, they will receive a free family pass for our home games.

The **Shoot-a-Thon** is scheduled for Monday, October 9th at 4pm. Pizza will be served that evening. I will be sending the pledge forms out closer to time. If you need one sooner, just let me know. In case there are some newbies, here's how the Shoot-a-Thon works...

- 1.) Before the shoot-a-thon, each player asks for pledges from friends, family, neighbors, etc... to sponsor so much money per shot that they make
- 2.) At the shoot-a-thon, each player will shoot 100 free throws (for the younger players, instead of free throws, they are welcome to shoot from their sweet spots...just make sure those making the pledges are aware of this)
- 3.) At the shoot-a-thon someone will be recording the shots made
- 4.) You will go back to your sponsors and collect the appropriate amount of money. (pledge per shot x number of shots made)

This is tons of fun and a great opportunity for our players to have direct involvement in funding their season, and work on their free throws at the same time! Shoot-a-thon prizes will be awarded to top shooters and the overall big money maker.

Now for the fun part!!! For those players whose combined fundraising efforts (sponsorships + shoot-a-thon) reach or exceed \$1000, we will be awarding them with a trip to see the Dallas Mavericks play. If enough players do this, we are looking into the cost of chartering a bus for the event. So... get out there and drum up some sponsorships and be practicing your free throws!! If anyone has any questions, please do not hesitate to ask. God bless, and I'm looking forward to a great season! GO WARRIORS!!!
